BOOMI SCHOOL & COMMUNITY NEWSLETTER Principal's Report

I can't believe how quickly Term 3 has flown by and will be very sad to leave Boomi PS on Friday. It's been a wonderful opportunity to work with such keen students, a dedicated staff and friendly community. Miss Kathryn Weston will return from her relieving stint at Fredrickton PS next term and she is a very lucky Principal!

Our week-long Canberra trip was a definite highlight and the best behaved and organised excursion I have ever supervised. A huge thank you to Gravesend Principal, Mrs Jacqui Todd! The 36 Year 3-6 students from Pallamallawa, Croppa Creek, Tulloona, Gravesend and Boomi PS proudly represented the Barwon network of schools at 21 venues in total, culminating in the laying of wreaths by the five school leaders at the moving Last Post Ceremony at the Australian War Memorial last Thursday.

This week, students have been busy reflecting on the excursion and providing feedback to inform future planning-posing survey questions, collecting data and responses, representing and interpreting data and writing conclusions. Our student journalists have also written informative articles for a special edition of 'The Canberra Times' newspaper-keep an eye out for a copy hot off the presses!

Enjoy a safe and happy spring holiday everyone!

Ms Amanda Austin

(rel/P)

Road Safety Education – Stop! Look! Listen! Think!

In Week 8, students walked around town to observe all the road safety signs and discuss their implications...

- Only walk across school crossing areas after the school bus has left
- Don't cross the street while distracted (no texting or headphones)
- Look left-right-left before crossing
- Drivers must obey the school zone speed limit of 40km/h during the times on the school zone signs
- Always wear a helmet when you ride, scooter or skate
- Always buckle up your seatbelt
- Always hold an adult's hand when you cross the road, up to 10 years old
- Get in and out of the car on the footpath side

Road trains, buses, caravans and farm vehicles are common along Boomi streets so please take care!

CPR and Snake Bite First Aid Course

We had an early recess yesterday then travelled to Garah PS to hear Cameron from NSW CPR Program deliver a very hands-on course in first aid. He demonstrated how to perform cardio-pulmonary resuscitation on adults, children and babies then we had a go on different mannequins- 30 compressions in the centre of the chest then 2 breaths. Cameron then showed us how to apply a pressure bandage after a snake bite. You never know who, when or where sudden illness or injury will strike and you're never too young to start learning first-aid.

COMMUNITY NEWS

Pool Yearly Season Passes are due:

\$130 Family

\$70 Adult

\$50 Child
