BOOMI SCHOOL & COMMUNITY NEWSLETTER Principal's Report

Last week we were fortunate enough to have the lovely Bridgette Carrigan (former student) working as a teacher here at Boomi Public School. Miss Carrigan discussed how the school has changed (and also remained the same) since she was here as a child. Our English lessons last week revolved around native Australian animals with one focusing on crocodiles. Miss Carrigan was able to give the students some firsthand information from her time in the Northern Territory. Hopefully she will stop in to work with us again on her next visit to Boomi.

On Monday and Tuesday, we welcomed Mr Ornelas to the Boomi Public School team. Mr O is our new virtual Assistant Principal Curriculum and Instruction (APC&I). Once a term he will travel up to Boomi to work with students and teachers. He will also be doing online lessons each week. It was great to have him at the school, with the students loving playing football at lunch.

This week the students are embracing National Harmony Week which celebrates Australia's cultural diversity, emphasising inclusion, respect and a sense of belonging for all.

Students will be doing different activities and are asked to wear orange on Friday to show their support for cultural diversity and an inclusive Australia.

Finally, if you have any questions or concerns, please do not hesitate to contact the school.

Kathryn Weston
Principal

Boomi Public School is seeking expressions of interest for a casual General Assistant starting mid-April.

The primary duties of the one day a week position are:

- undertaking minor maintenance
- maintaining and caring for school grounds mowing, whipper snipping and mulching etc
- and other duties as required by Principal

Essential requirements for the position include:

- Working With Children Check Clearance
- Completion of Mandatory training as required by DoE – this can be completed at the school if required
- First Aid Certificate or willingness to undertake First Aid training

If interested, please contact the school for further information.

SCHOOL REMINDERS

* Students to wear orange tomorrow to celebrate Harmony Day

***P&C AGM & General meeting next Wednesday 26 at 2pm. All Welcome.**

Good for kids
good for life

Screen-free fun

In a world full of screens, it's important to make time for real-life play! Swapping screen time for active, creative, or social activities helps kids develop problem-solving skills, build friendships, and improve their well-being.

Here are some screen-free ideas to try:

-  Make a splash – Go for a swim at the pool or beach with family.
-  Play together – Engage in activities that you know your child enjoys, for example: puzzles, building LEGO or cooking together are great for family fun.
-  Get moving – Dance, kick a ball in the backyard or go for a bike ride together.

Encouraging kids to enjoy screen-free activities helps them develop lifelong healthy habits. Plus, it's a great way to connect as a family!
