BOOMI SCHOOL & COMMUNITY NEWSLETTER

As we wrap up this term, I want to extend a heartfelt thank you to the students, staff, families, and the community for warmly welcoming me. I have thoroughly enjoyed getting to know everyone during this busy term filled with sports carnivals, excursions, the Mother's Day celebration, Box Fit in Mungindi, and Themed Thursdays. Looking ahead to Term 3, I'm excited for camp, Book Week, the Mungindi Show, and tennis lessons. I wish everyone a safe and relaxing break—make sure to do something fun to fill your cups! I look forward to seeing all your smiling faces on July 22.

Students have been diving into the fascinating world of technology, exploring how it has evolved over the years and the significant impact it has had on our lives. The school is fortunate to house the old telephone exchange, which has sparked great interest among students. Eager to learn and explore, they engaged with the historical technology, gaining a deeper appreciation for how communication has transformed and shaped our world today.

The NAIDOC Day celebration at Boobera Lagoon was a joyful occasion filled with cultural activities. Felina and Ella delighted in weaving, while Winnie thrived in his element as he fished. Izzy had a wonderful time making Johnny cakes, embracing the traditional cooking. A heartfelt thank you to Shannon and Polly for joining us, and to Boggabilla Central School and Uncle Carl for inviting us to share in this meaningful celebration of Indigenous culture.

We had a visit at the school last week from Judy and Graeme (caravaners) to drop off some knitted teddy- bears they call them 'Comfort Bears'. How lucky are our kids!!

Generally, they donate to children who have lost their toys in a flood or fire or who have needed emergency medical care. It was a lovely gesture and very well received by our children. Thank you!

The UNE Science Discovery Day at Garah Public School was an exciting experience for students. They explored the fascinating dinosaur world and learned about animals' paw, hand, and finger prints. The students examined various textures of rocks and leaves and discovered bugs in their natural habitats. A big thank you to Mrs. Adams and Mrs. Woodhouse for guiding us, and to Garah Public School for the warm invitation and delicious lunch. We had a fabulous time!

The Life Ed visit was a wonderful experience, and we were so excited to meet Healthy Harold! Kirra taught us valuable lessons about friendships, feelings, resilience, and kindness, helping us understand the importance of these qualities in our lives. The engaging activities made learning fun and memorable. We're already looking forward to seeing Harold again in 2026 for more exciting insights into healthy living and well-being.

Finally, if you have any questions or concerns, please do not hesitate to contact the school.

Kristie Fleeting
Principal

Community News

*** A huge Thank You** to Ellen Allen who has requested that funds obtained from sales of her book “Up On The Border” be donated to the Boomi Memorial Hall and used towards a new fence being sought.

*** Sunday 6th July 10am Boomi Memorial Hall Clean Up**

Following intensive works carried out within the Hall complex thanks to the retired builder President, Peter Vukovich. It is now time to tidy-up the premises for on-going works to be carried out. If you're able to attend, it would be very much appreciated and at the same time see the new Supper Room.

*** Boomi Anglican Church**

Would like to thank BATS for the funds that have enabled the inside of the Church to be painted.

***Xmas In July Function**

Due to a Liquor Licence not being available for this function, it will now be BYO. Dress code is smart casual.

Please remember RSVP for this night close end of day 7th July 25.

Active Travel: Small Steps, Big Benefits!

Encouraging your child to walk, ride, or scoot to and from school is a simple way to boost their daily physical activity.

Active travel helps improve focus, fitness, and overall wellbeing — plus it's a great opportunity to build independence and enjoy time outdoors. Even walking part of the way makes a difference!

You could:

-  Walk all or part of the way
-  Ride a bike or scooter (with a helmet!)
-  Park a short distance from school and walk the rest
-  Join a walking group or “walking bus” with other families
